

Service technician

(m/f/d)

IBS Austria GmbH is the unbeaten technology leader in tuning paper machines. Almost all well-known paper manufacturers worldwide rely on our know-how and use our products every day. It is very likely that you have already held paper in your hands today that is backed by IBS technology. Based in Teufenbach-Katsch, we are also where the global IBS Paper Performance Group began and remains its headquarters. As a family business, we are deeply rooted in our home region, and with over 800 employees at 24 production and sales locations in Europa, Asia and North and South America, we are a real global player.
