Information technician, Telecommunications technician, electronics technician in service (m/f/d)

papertech

Papertech is the industry-leading machine vision system supplier for a range of web-based production lines. There are now over 1.600 installations in more than 60 countries. Papertech's unified platform, combining event capturing (WMS) and web inspection (WIS) into a single non-proprietary platform, helps paper, tissue, board and pulp producers around the world optimize their paper quality and production efficiency. IBS Papertech GmbH and Papertech Inc. are part of the IBS Paper Performance Group.
